

JASON WRIGHT

Bio

Jason is the founder and host of the **Intentionally Inspirational** podcast, which was created to offer startup and seasoned entrepreneurs inspiration, actionable steps, and supporting resources. Launched on April 2, 2016, the Intentionally Inspirational podcast made the iTunes "New & Noteworthy" list in the Business, Health and Self-Help categories within 8 weeks.

Since its inception, the Intentionally Inspirational brand has evolved to include a blog, newsletter, online courses, coaching and consulting services.

Jason also has a growing virtual team that helps with all aspects of the Intentionally Inspirational brand, marketing, and content creation. This team makes the ongoing projects, product releases, and focus on becoming a global brand, possible.

Jason is a lifelong entrepreneur who thrives on challenge and has an unwavering focus on motivating and mentoring others. Jason is also currently starting his real estate investment portfolio and working alongside his wife with their thriving LuLaRoe clothing line.
